

2011 NRHA Futurity - Qualified Entries as of 10-13-11

***Must read* THIS IS NOT A DRAW.** The list below are those horses who are currently qualified for the 2011 NRHA Futurity (meaning all payments have been received). If your horse is missing from this list they are not currently qualified and will not be put in the draw. If you feel that it is in error, please immediately contact Leigha Stevenson at l Stevenson@nrha.com or 405-946-7400, ext. 131 so that it can be researched. For those that have already submitted the rider designation card, the rider is listed as well as the classes they are entered in. Please review this information. If you have any changes/corrections, please send those to Leigha as well.

Rider designation cards are due on Nov. 1st and must be declared by sending in the rider designation card or written statement. Designations will not be taken over the phone. The draws will be done as soon after that deadline as possible.
